Wellendorff Opens New Boutique in Harbour City

Celebrating more than a century of mastery, quality and craftsmanship in jewellery making in Germany, Wellendorff welcomes its second boutique in Hong Kong at Harbour City. You are warmly invited to visit the boutique designed in alignment with the new global concept that reflects the classic charm and subtle glamour of Wellendorff. The iconic flower motif is repeated on the walls throughout the boutique which is crowned with the diamond “W” logo perched on the entrance to welcome visitors and to assure you of our commitment to genuine values.
